1. Facilitate the facility/hospital on MSQH hospital accreditation process.

# EXPECTED OUTCOMES (contd)

1.1

Provide stewardship, guidance and direction to the facility/hospital in all MSQH hospital accreditation requirements.

# EXPECTED OUTCOMES (contd)

1.2

Act as a Link Officer between the facility/hospital, MSQH Secretariat and the surveyors during on-site survey.

# EXPECTED OUTCOMES (contd)

2.

Interact and learn from the survey team during on-site survey process.

## EXPECTED OUTCOMES (contd)

3.

Be knowledgeable with regards to pre, intra and post MSQH hospital accreditation survey requirements.

## EXPECTED OUTCOMES (contd)

4.

Be acknowledged and recognised as the facility/hospital champion for MSQH hospital accreditation program.

# Rationale

- Creation of quality culture within the facility/hospital.
- Be the driving force to spearhead all activities related to quality initiatives, patient safety and accreditation.
- Be the expert/resource person within the organisation to facilitate all services on activities related to quality initiatives, patient safety and accreditation.
- Be the link officer of the facility/hospital between MSQH Secretariat and surveyors during on-site survey.
- Champion the cause of quality initiatives, patient safety and accreditation.

**Thank you**
