

International Forum on
QUALITY & SAFETY
in **HEALTHCARE**

18-20 September 2019 | Taipei

SAVE THE DATE

Registration opens December 2018

Join us at our 5th International Forum in the Asia Pacific Region and learn from the best of international and regional thinking and practice in healthcare quality and improvement.

The International Forum supports and energises the movement for healthcare improvement and connects healthcare leaders and practitioners worldwide to improve outcomes for patients and communities.

Key reasons to attend:

- Connect with over 1,250 healthcare professionals from over 35 countries
- Learn key strategies from healthcare visionaries and leaders
- Enhance your professional knowledge to make a real difference to patient outcomes in your community
- Become energised to implement the ideas you have acquired
