

## SERVICE STANDARD 08: EMERGENCY SERVICES

## PREAMBLE

The Facility shall provide Emergency Services, which shall be accessible and operational on a 24-hour basis. Any individual presenting with perceived or real emergencies arising from any injury or illness has the right to attend the Emergency Services. The Emergency Services shall extend and not refuse care that is deemed clinically necessary to any patient presenting with genuine emergencies to the Emergency Services. The Facility shall identify the scope of Emergency Services to be provided. When or where the services are not available or exceeding its scope, there is a policy regarding referral to a facility equipped with such services to render optimum care to the patient.

TOPIC 8.1:  
ORGANISATION AND MANAGEMENT

## STANDARD 8.1.1

The Emergency Services shall provide quality care which shall be organised, directed and coordinated with other services in the Facility according to the goals and objectives of the Facility to meet the needs of the patient population being served.

CRITERION NO.	CRITERIA FOR COMPLIANCE			SELF RATING	FACILITY COMMENTS	SURVEYOR FINDINGS		
						AREAS FOR IMPROVEMENT / RECOMMENDATIONS	SURVEYOR RATING	RISK
8.1.1.1	Vision, Mission and values statements of the Facility are accessible. Goals and objectives that suit the scope of the Emergency Services are clearly documented and measurable that indicates safety, quality and patient centred care. These reflect the roles and aspirations of the service and the needs of the community. These statements are monitored, reviewed and revised as required accordingly and communicated to all staff.			NA			NA	
	EVIDENCE OF COMPLIANCE							
	1.	Vision, Mission and values statements of the Facility are available, endorsed and dated by the Governing Body.	NA					
	2.	Goals and objectives of the Emergency Services in line with the Facility statements are available, endorsed and dated.	NA					
	3.	Evidence of planned reviews of the above statements.	NA					
	4.	These statements are communicated to all staff (orientation programme, minutes of meeting, etc)	NA					
	5.	Achievement of goals and objectives are monitored, reviewed and revised accordingly.	NA					
8.1.1.2 CORE	There is an organisation chart which:			NA			NA	

	<p>a) provides a clear representation of the structure, functions and reporting relationships between the Person In Charge (PIC), Head of the Emergency Services, consultants, medical practitioners and staff of the Emergency Services;</p> <p>b) is accessible to all staff and clients;</p> <p>c) is revised when there is a major change in any of the following:</p> <p>i) organisation;</p> <p>ii) functions;</p> <p>iii) reporting relationships;</p> <p>iv) staffing patterns.</p>

	d)	staffing number and staff profile;	NA					
	e)	staff training records;	NA					
f)	data on performance improvement activities, including performance indicators.	NA						
8.1.1.8	Where the Emergency Services provides clinical experience for students of medicine and paramedical sciences, a comprehensive documented agreement between the Facility and the educational institution shall exist detailing the responsibilities of all parties including: a) time period;			NA			NA	

	b) liability; c) terms of contract review; d) accountability for training and clinical practice.							
	EVIDENCE OF COMPLIANCE							
	1.	Valid letter of intent or request/posting and assigned supervisor						NA
	2.	Ratio of Clinical Instructor (CI) and students commensurate with the number of students						NA
	3.	Student allocation roster or programme						NA

**STANDARD 8.1.2****CONTINUITY OF CARE**

*The department shall provide patient triage, clinical assessment, perform necessary investigation and intervention based on the clinical needs of patient. The emergency care provided will include resuscitation, stabilization and therapeutics. When clinically indicated or the threshold is met, patient shall be referred to other clinical service(s) for further medical care. When definitive care of the patient requires a team approach, the clinical discipline taking a leading patient care role shall be determined by the department. The facility will also ensure the continuity of care is maintained during patient transfer from the emergency department to other parts of the facility.*

*Where the Facility does not have the facilities or medical ability to render optimum care to the patient, arrangements shall be made for transfer to another facility or appropriate treatment centre after initial emergency care.*
